National Register of Historic Places

The National Register of Historic Places is the official list of the Nation's historic places worthy of preservation. Authorized by the National Historic Preservation Act of 1966 and maintained by the National Park Service <http://www.nps.gov/nr/>.

Sublette County Historic Preservation Board

The Sublette County Historic Preservation Board (Certified Local Government) is sponsored by the Sublette County Commission authorized under the National Historic Preservation Act to provide local guidance on Historic Preservation. A primary function is to provide first level of review on all National Register nominations. <http://www.sublette.com/preservation>.
